2010 PRODUCT CATALOG

The Top Benefits of Using Compatible Printer Cartridges

HELP THE ENVIRONMENT

Compatible cartridges utilize numerous recycled parts and components from an original cartridge, reducing the use of environmentally harmful materials and pollutants.

LOWER YOUR COST

Compatible cartridges typically cost 30-60% less than that of an OEM cartridge, saving you hundreds of dollars on your monthly supply costs and improving your bottom line.

MAINTAIN THE HIGHEST QUALITY

Compatible cartridges are designed to perform as well as, if not better than, the OEM cartridges. You will get the same great quality prints, at a fraction of the cost.

SAVE TIME

Reduce the amount of time spent searching for compatible toner cartridges. From the newest color models to legacy printers, you can be confident that there will be a compatible offering for you.
